Ray Solcher

Our team in Victoria

The Reason...

Hearing loss factors in children

- Lack of sufficient prenatal care
- Lack of infant medical attention
- Overuse of antibiotics

The Reason...

Hearing loss factors in adults

- Lack of sufficient medical care
- Natural consequence of aging
- Injuries
- Overuse of antibiotics

Victoria Trip: December 4-5 2006

HEARING-AID
For
Latin
America

A white outline map of the Latin American continent is positioned to the left of the text "For Latin America".

Within Two blocks of the Clinic...

How We Help

- Audio tests
- Making and grinding molds
- Computer programming of aids
- Fitting the aid
- Giving a year's supply of batteries
